July 14, 2005

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you **House Bill No. 524** entitled:

AN ACT

To repeal section 105.473, RSMo, and to enact in lieu thereof one new section relating to lobbyist duties.

I disapprove of **House Bill No. 524**. My reasons for disapproval are as follows:

This bill amends §105.473 RSMo in a manner that would remove a provision requiring a lobbyist or lobbyist principal to file information with the Missouri Ethics Commission that discloses which legislative initiatives that the lobbyist or lobbyist principal supports or opposes. Further, the required disclosure identifies who retained the lobbyists' services for the listed legislative initiatives.

Current law enables the Ethics Commission to amass this important information and create a useful repository of lobbyists' and lobbyist principals' activities for Missouri citizens. This provides all Missourians, including journalists and other news organization, with a valuable resource that allows them to determine what legislative initiatives their elected officials are being asked to consider by special interest groups, corporations and other interested parties.

It is important for citizens to be aware of the activities of well organized and well funded special interest groups and other entities.

For all of the reasons mentioned above, I am returning **House Bill No. 524** without my approval.

Respectfully submitted,
